

dog:ESSENTIAL™

Simply Apply to Teeth and Gums!

# healthymouth™ GEL

with 100% Human Grade Ingredients | Contains Zero Calories, Fat & Sugar

**DIRECTIONS:** As an introduction, allow pet to smell a small amount of the gel on your finger. Hold tube at 45° angle to teeth and gums and gently squeeze tube, allowing the gel to flow through the tip. With the tip pointing towards the gums, using small circular movements, distribute a thin layer of the gel on the entire top gum surface, including gum line where teeth and gum meet and over the teeth, making sure to cover the back molar area. Repeat on lower gums and teeth. Tip may be washed off after use. Do not rinse off. Best results when used at night after meal and before bedtime. Use every day for continued results. Should be used in conjunction with healthymouth dental water additive for an optimum daily dental care program. Not intended for human consumption. Keep out of reach of children. Discontinue use if adverse reaction to this or any product occurs. Read ingredients and consult your veterinarian before use in case of any known pre-existing hyper-sensitivity or if combined with prescribed medication.

**INGREDIENTS:** Sodium Bicarbonate, Sorbitol, Organic Glycerin, Water, Calcium Carbonate (limestone), Organic Pomegranate, Natural Xanthan Gum, Organic Yucca Extract, Zinc Gluconate, Organic Blueberry, Organic Papain (Papaya Extract), Riboflavin (Vitamin B2), Ascorbic Acid (Vitamin C), Organic Clove Extract, Organic Cinnamon Extract, Chlorophyll, Sorbic Acid (natural preservative derived from mountain berries).
